

Thank you for participating in Monsters Run the River 2025! We hope you have a great race.

In this packet, you will find the race route, new course details, and other important information.

Please arrive early, about 20 minutes before race start time. Check in at the DDW registration/check in table if you have not already picked up your bib and swag. T-shirts are available for free to the first 75 runners to register, and are available to purchase at the event.

If you have any questions, call:

(207) 887-9122

or DAY OF (207) 272-7336

Thank you to our Downtown Sponsors, Hawkin Dynamics and Profenno's Pizza!!

At Hawkin Dynamics we understand that technology can be intimidating. Our mission is to reduce the complexity of one aspect of your work - your use of technology for objective data collection. We are a team built around attention-to-detail, an unrelenting passion for customer service, and a desire to educate on how force measurement applies to a variety of industries. Harness our passion for force and let's work together. The first step is ensuring we provide the correct information for your needs.

Profenno's *Pizzeria - Pub*

Located in the heart of downtown Westbrook, Maine, Profenno's Pizzeria & Pub has been a local favorite for years, serving up delicious pizza, hearty pub food, and ice-cold drinks in a laid-back, welcoming atmosphere. Just steps from the Presumpscot River and minutes from Portland, Profenno's is the go-to spot for casual dining, friendly service, and live local entertainment.

Whether you're stopping by for a slice after work, catching the game with friends, or enjoying a night out with family, Profenno's delivers a menu full of crowd-pleasers—hand-tossed pizzas, loaded subs, fresh salads, crispy wings, and satisfying comfort food classics. The bar is always stocked with rotating craft beers, cocktails, and all your pub favorites.

Thank you to our Green Sponsor, Coddiwomple Travel!

Coddiwomple Travel is a full service travel agency founded by Scott Guillemette, who has over 30 years of experience in the travel industry. The agency specializes in personalized travel planning and unique adventure experiences, including hosted running tours that often feature half marathons in various global destinations.

Scott has extensive travel experience himself, having visited all seven continents and more than 25 countries, and this wealth of knowledge is leveraged to create bespoke travel packages for clients.
